Subject : Contract No. RD-26
Task Order No. C

Gentlemen:

This will acknowledge your letter of October 24, 1958, relative to the publication of an article based on fundamental research formed under the subject task order.

The abstract has been administratively reviewed both from a technical and security standpoint, and this letter will act as your authorization to release the abstract to the Division of Inorganic Chemistry of the American Chemical Society for consideration on an unclassified basis. It is understood, however, that no mention of the Sponsor will be made or indicated in either your letter of transmittal of the abstract or any subsequent meetings of your staff and the American Chemical Society.

The indication in your letter is correct, that we would require a review of the prepared article for our approval prior to its publication on or after April 1959.

Very truly yours,
